By Angela Curtis

Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book highlights the real effects that herbal remedies can have on the human body. The most popular herbs are outlined along with a few that are not so well known. The main point is that they are highlighted for their properties and the positive effects that they can have on particular illnesses. A lot of the herbs are typically found in your local supermarket and may even be used for everyday cooking purposes. The fact is that they are not hard to find and once taken under the guidance of a qualified herbalist or doctor can do wonders for alleviating whichever illness you may have. Nowadays people are opting to go with the more natural options and herbal remedies are in the list. As the effects of chemically manufactured medications are much worse sometimes fatal it is much easier to go with an option that works just as effectively and is one hundred percent natural. As the world moves toward health and wellness, the herbs highlighted in the book will become more prevalent in many...
