This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

GOLDFISH MEMORY

Parthian Books. Paperback. Book Condition: new. BRAND NEW, Goldfish Memory, Monique Schwitter, Eluned Gramich, What does it mean to have a connection with someone? Everyday you see tens and hundreds of faces and overhear countless conversations. Everyday you pass people by - on the street. In the office. In the car. In cafes and bars. Down the corridors of department stores and hotel rooms. But what makes one person a stranger, and another a friend, an accomplice, even a lover? A traveler shuts himself up in his hotel room, with no-one but room service to talk to; a teenager stalks her long-lost father; a journalist interviews a great poet with a dark past; a woman pursues a doomed liaison with an anonymous man she meets once a month at the casino; a bar lady locked in with the regulars at night. These are just some of the tales exploring the mysterious and random side of human relationships. From the winner of the prestigious Robert Walser First Novel Award and Switzerland's Schiller Foundation Writers Prize, Goldfish Memory is the first translation of Monique Schwitter's form-breaking work. With a contemporary style that's cool, quick and funny, this collection is a refreshing new voice, not to be missed.
