A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

In our youth, we all seem to have a way of convincing ourselves that we are bullet proof, and that things like this did not happen to us. Yet here I was, surrounded by Doctors and nurses, all looking at me like I was but an inscription on a headstone. Things like this have a way of shaking us to the very core of our foundation. I was shook. One of the most powerful elements in my total recovery, was my determination. I would not give up the hope, that somehow I would look back on this day and think, the Devil swung at me, and missed. We all have choices to make in everyday life. I chose to live and not die young. You too, have the same choice. Humans have an in-born desire to continue living, even when facing incredible odds. I used this desire to fuel my determination to beat this. Learn what I did, and how I did it. The purpose of this book, is to share with others the exact things I did, and how I did...
