BLACK WOMEN DESPERATION: (DEEP ROOTED)

Createspace, United States, 2013. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Introduction This book on Black Women Desperation (Deep Rooted) is a topic for discussing. There are several reasons a Black female never marries: Such as not finding a suitable mate, commitment to career or other personal reasons. But if a successful Black female does decide to get married, there is a dilemma. The question is, Should I marry into another ethnic group? There are literally thousands of Black marriages today, but they are on the decline. The couples I chose to put in this book are the lucky few. I am proud of all the achievements these professional people attained. I researched each individual profile by compiling public information on them with no intention to scandalize or criticize them on the choices they made in choosing their mate and it should be that way for all of us, whether we succeed or fail. The trend, I am seeing as I write this book is Black men, who become successful prefer Multiracial or White women for their mate. This leaves the Black female in a dilemma when it comes to finding a suitable mate. How sad!!!!!!!!!! Blacks should be proud of their racial heritage and not be ashamed of their mother s roots or where they came from. Once they realize everything came from Black, they might change their way of thinking. Ponder this paragraph: When role models are presented in a positive way, it will decrease resentment and inferiority from being breaded into a people. When a people discovers positive contributions their forebears contributed to society, it gives hope and pride to them; then they can grasp what the color of Black really means. Today, Black men have...
